And the best gift for a nephew or niece is to learn from the life of his or her auntie! - and that is what you'll get with this journal. This is a journal with prompts that will guide an aunt to write about her memories and life stories. And loving, remarkable, funny memories and stories of overcoming challenges can be real treasures, serve as inspiration and become lessons to our loved ones when they need it! Remember the first time you carried your nephew and/or niece? And the first time you baked a cake or had a "date" together? And when he / she fell and you helped them to feel better? And remember when you were a child and your mother taught you so many things that you would also like to teach your nephew(s) and/or niece(s)? Our life is full of moments that deserve to be shared and this journal was designed to help with just that. It contains the following sections: ? Important Facts and Events of your Life - share about family origins, and memories from childhood to becoming an aunt ? Your Special Recommendations for your Nephew or Niece - recommend your favorite book, movie, place to visit, recipe, financial advice and more... ? Selected Memories & Stories Pages - share your top memories and stories - eg. you may talk about a special trip, time lived abroad, the experience in different places where you worked, a difficult experience that you were able to overcome and more! ? How to use this journal: Fill any page that you would like, in any of the sections, at any time, until you complete the journal or until you feel that you, auntie, shared your most important memories. Then give it (back to you) as a treasured gift to your nephew and/or niece! Sharing memories and stories with your nephew(s) and niece(s) can be wonderful for you and for them, do you know why? ? He/she will realize that your story and the story of your ancestors relates to their own; ? Writing helps organize the "shelves" of our mind and puts events in perspective on a timeline; ? Writing also make you re-live happy moments, feel the joy once again; and it sometimes helps "heal" from past events, too; ? Your nephew and/or niece's understanding of the past helps them to accept themselves as they are; ? learn that their roots impact the way they are, ? Capturing your memories on paper will bring you joyful & funny memories that will now make others laugh! With this journal, you will give your nephew and/or niece an opportunity to learn about their family's history, an inspiration to live happy moments the way you did, and examples of strengths that will help them overcome life's obstacles and challenges. With a wit as sharp as a vodka stinger and a heart as free as her spirit, Auntie Mame burst onto the literary scene in 1955--and today remains one of the most unforgettable characters in contemporary fiction. Wildly successful when it was first published in 1955, Patrick Dennis' Auntie Mame sold over two million copies and stayed put on the New York Times bestseller list for 112 weeks. It was made into a play, a Broadway and a Hollywood musical, and a fabulous movie starring Rosalind Russell. Since then, Mame has taken her rightful place in the pantheon of Great Important People as the world's most beloved, madcap, devastatingly sophisticated, and glamorous aunt. She is impossible to resist, and this hilarious story of an orphaned ten-year-old boy sent to live with his aunt is as delightful to read in the twenty-first century as it was in the 1950s. Follow the rollicking adventures of this unflappable flapper seen through the wide eyes of her young, impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place.
